Welcome to The Swan Smoke & Tap where you will find the loving combination of English classics & American Pit BBQ. We use locally sourced food wherever we can and USDA Beef Brisket.

Our food is always smoked over real wood giving you the 'pink ring' Smoke effect you would have gained on the original Pit BBQ but with the modern day convenience of a smoker oven.

Our Brisket and Pork shoulder are smoked for 16 hours, ribs for up to 4 hours and chicken for two hours.
